

Wednesday 19<sup>th</sup> April 2017

Dear Parent/Carer,

**Materials Recycling Facility**

As part of our continued commitment to environmental education, I have arranged for Year 3 to visit the **Materials Recycling Facility** in **Great Blakenham** on **Wednesday 28<sup>th</sup> June**.

The trips links in nicely with Geography and Science curriculum content. We had a fascinating time when we took all of Key Stage 2 back in 2011.

We are expected for 10am and the visit will last 2 hours. Afterwards (weather permitting), the plan is to travel to nearby **Needham Lakes** to have our packed lunches and enjoy the great outdoors. We will be back in good time for the end of the school day. A voluntary contribution of **£7** would be appreciated towards the travel cost.

Children should wear **school uniform** – including **full length trousers** – and **sturdy shoes** (trainers or walking boots, etc.) suitable for an industrial environment. Part of the visit will involve a plant tour which includes some steps and has a mesh walkway.

In addition to their **packed lunch**, please ensure that your child brings a **water bottle**. Depending on the weather, a **sun hat** and **sun cream** may be advisable. If your child requires a **travel pill** for the journey, please ensure they are taken in plenty of time. Any pills for the return journey must be in a named envelope and given to me. Should you child be **asthmatic**, please ensure that the necessary labelled inhaler is in school.

Please sign and return the permission slip below at the earliest opportunity.

Tom Frost  
Class teacher
