Monday, 24th April, 2017

Dear Parent(s)/Carer(s),

I am pleased to be able to tell you that, through continued hard work and good behaviour, the children in Year 6 have reached the target 500 points to qualify for a class reward.

The children have selected their own 'treat'; an afternoon of games and electronic equipment, to be held on Friday, 28th April, 2017. This is a great opportunity for pupils to learn to work and play together on activities or games of their choice.

Some children have expressed interest in bringing items from home for this, such as board games, hand-held games consoles, mp3 players, Kindles and personal DvD players. Whilst I am 'happy' for this to happen, I have stressed that:

- responsibility for the care and safe return of these items remains theirs;
- items will be put into available locked storage on arrival in school and not left in school bags;
- items must be named;
- mobile phones are NOT allowed;
- in the unlikely event that I consider an item is being misused, it will be confiscated and returned at the end of the day;
- Any devices brought into school MUST be Internet-disabled. This is to protect pupil safety since we cannot supervise 27 pupils' Internet use on hand-held devices at once. The classroom computers will, however, be available for Internet use during this time.

Many thanks,

Miss Varden
