Dear Parent(s) / Carer(s),

As you are aware, in the week beginning Monday, 8th May 2017, Year 6 pupils will be required to undertake formal written assessments in English and Mathematics.

Although the exact timing of each test is yet to be decided, the prescribed dates of the tests are as follows:

Monday 8 May	Tuesday 9 May	Wednesday 10 May	Thursday 11 May	Friday 12 May
Reading test (1 hour)	Grammar and Punctuation test (45 minutes)	Mathematics: Arithmetic (30 minutes)	Mathematic: Reasoning (40 minutes)	
	Spelling test (15 minutes)	Mathematics: Reasoning (40 minutes)		

It is extremely important that your child attends school during this period.

It is normal, if undesirable and sometimes counter-productive, for children to worry about these tests. It can indeed be a stressful time and your continued support would be much appreciated.

Pupils will not need any additional equipment during this test week since the school will provide materials necessary for the tests.

Please do not hesitate to contact me if you have any questions regarding these tests.
