

April 2018

Dear Parent/Carer,

**Year 4 Summer Term Newsletter**

I hope you had an enjoyable Easter break. On the reverse of this letter you will find a brief outline of the work we will be covering this term; I hope you find this useful as you discuss school life with your child.

Please be advised of the following points:-

- Please send children with the appropriate outdoor clothes for the weather (raincoat, cap, sun cream etc.) and don't forget their water bottle.
- PE kits should remain in school all week. Children should have both indoor and outdoor kits in school and will be expected to fully participate unless they have a note to excuse them.
- Sports day is on Thursday 24th May - the children will compete in their house team and should come to school in their PE kit with a house coloured t-shirt.
- Please ensure that all items of clothing are named, so we can return them to their rightful owners and save you the frustration of hunting, and the expense of buying more...
- Reading records and reading books should be in school every day.
- Please continue to hear your child read regularly at home, focussing on their comprehension and developing their vocabulary. Children are responsible for changing their stage and/or library book at an appropriate time during the school day. Alternatively, you are welcome to accompany them after school - their library card will need to be collected from and returned to the classroom if they don't know their library number.
- Spelling lists that are sent home will be tested the next week. We will continue with weekly times tables tests.
- At the end of a unit of Mathematics work, I will send home consolidation homework similar to the work sent home during the Easter holiday. This should be completed and returned to school as soon as possible.
- Mr. Leech, trainee teacher, returns for his final teaching practice at the end of April.

As always, please do not hesitate to contact me should you have any queries or concerns.

Yours faithfully,

Mrs W Rayner
