

Hockey

There are two great opportunities for your children to develop their hockey skills...

Lunchtime Club

Mr West will be running a Hockey club between 12 and 12.30pm every Tuesday, weather permitting, from 24th January to 7th February. There is no charge for this club and children in Year 4 to Year 6 are welcome to attend

After school training at Felixstowe Academy

We have been invited to attend Hockey training at Felixstowe academy. This opportunity is part of the Felixstowe schools sports provision and is run and organised by Mr Kegan from Causton Primary School. Mr West will be assisting in the delivery of the training.

There are only 10 places available and should there be more than 10 children who would like to attend, names will be drawn out of a hat.

Training sessions will take place outside, so children will need to wear some type of jogging bottoms and top. We will make provision for children attending the sessions to get changed into their sports kit before the end of the school day.

Time: 4pm to 5pm

First session: Tuesday 24 January

Last session: Tuesday 7 February

Please note that you will need to make your own transport arrangements.

After school hockey training at Felixstowe Academy

I give permission for _____ to attend hockey training at Felixstowe Academy.

Signed (Parent/ Carer) _____.
