Headteacher : Mrs K E Beattie BEd (Hons) NPQH

Playground Leader Club

The aim of this school funded club is to introduce and develop leadership skills by training children to organise activities for other children in the playground.

The benefits:

- Encourages children to take responsibility and develop leadership skills
- Develops skills such as organisation, communication, confidence and self-esteem alongside planning and self-review
- Provides the opportunity for older children to work with younger children thus promoting integration and social inclusion
- Encourages cooperation and helps to develop moral and social skills.

Children will be shown how to set up easy and safe ways to play either playground or field based games. They will then have the opportunity to use their skills to lead games and activities at lunchtime.

All who take part will gain a Kingsfleet 'Play Leader Certificate of Completion' and will be able to continue on a long term basis if they wish to do so and if the school feel they are setting the correct example through their behaviour and attitude.

Mr West will be running the club and will be assisted by Tom Jennings. Many of you will know Mr West through his work in school delivering PE sessions and running after school clubs. Tom Jennings is currently a trainee Little Kickers coach as well as being a former Kingsfleet pupil.

Places are limited to 30 children. If we receive more than 30 applications names will be taken out of a hat. Any children who do not make the club this term will be given the opportunity to be on the club list for the Summer term.
