Join us if you would like to:

- Explore different strategies that can be used at home to help with children’s reading development

- Understand some of the things that may delay reading development

A tutor from Realise Futures Family Learning is coming into school this term to run a free 3 week course for parents on Thursdays from 1.15 to 3.15 pm. The first session will be on Thursday 18th January 2018.

If you would like to attend, please complete the slip below and return it to the school office by Monday 12th January or just turn up on Thursday 18th January.

The tutor is flexible about parents arriving a little late or having to leave sessions early to collect children from playgroups etc; please discuss any problems with her.

I hope you can attend and look forward to seeing you there.

If you have any additional support needs that you would like us to be made aware of, please telephone Richard Webber on 01473 275922 or email him on Richard.Webber@realisefutures.org. This information will only be disclosed to the tutor.

I hope you can attend the course and look forward to seeing you there.

Yours sincerely

Mrs K E Beattie
