Dear Parent(s),

I am delighted to have secured tickets for Year 6 to attend the production of Mark Thompson's Spectacular Science Show at the New Wolsey Theatre, Ipswich on Saturday, 17th February, 2017 at 6:00pm.

This one-hour show explores the 'strange and magical properties of matter, with exploding elephant's toothpaste, vortex generating dustbins, dancing paste, vanishing beakers and even exploding Pringle tubes!' (New Wolsey Theatre Programme Spring 2018)

A special group discount rate has been arranged and tickets will therefore cost just £5.00 each.

Children will need to arrive by 5:40pm in the foyer of the theatre, where they will be met by school staff, and must be collected from the foyer at 7:00pm. Please make your own travel arrangements.

Tickets have been reserved but will only be held until Monday, 15th January, 2018. Consequently, if you would like your child to attend, reply slips and payment **MUST** be returned to the school office by this date, after which any remaining seats will be re-allocated by the theatre.

If you have any questions, please do not hesitate to ask.

Many thanks,

Miss Varden
