

Dear Parents,

Next term, Year One will be creating an exciting new deconstructed role play corner. This means that our role play will no longer be themed, the children will be able to turn the corner into anything they want it to be. For this to be successful we need lots of plain cardboard boxes (the larger the better), packaging tubes (these also need to be plain) and a selection of fabrics which the children can use to make dens, tablecloths etc. Things like chiffon, sheets or silk type scarves are ideal for this.

If you have any of the above and would like us to take them off your hands then we would be more than happy to do so! Please send them into school this term and we will store them for September. Large boxes can be flattened if that makes it easier and we will put them back together again.

Thank you for your support.

Year One Teachers
