

Friday, 14 July 2017

Dear Parent/Carer,

This is a brief summary of the arrangements in place for the Year 6s' final week.

Final Week

We will be off-timetable next week (except spellings which have been set and will be tested, as usual, on Tuesday). Pupils are welcome to bring in a favourite DVD (certificate U or PG only, please) and all children will need to have their P.E. kits in school.

In addition, on Monday, your child will need to bring in a plastic carrier bag large enough to carry a whole year's work, including art work!

Library Books/Red Sports T-Shirts

Please search out any school reading books/sports t-shirts your child may have lying around the house and prompt them to return these to the library/office!

Leavers' Assembly

You are very welcome to join us in the school hall for Leavers' Assembly on Friday morning at 9:30 (for approximately 45 minutes). It is a nice opportunity to reflect upon your child's time at primary school.

T-Shirts

Many children like to collect messages and signatures from friends on a T-shirt. Children WILL NOT BE allowed to receive signatures on the shirt in which they arrive at school. It is very important, therefore, that if you are happy for children to sign a T-shirt, this is brought to school separately. Your permission will be assumed on the provision of a spare T-shirt/shirt. Of course, autograph books are just as good, last longer – and are a lot easier to write on!

This is obviously a very emotional time for everyone and your continued support is much appreciated.

Many thanks,

Miss Varden
