9 July 2018

Dear Parents/Carers,

As you may be aware, England will be playing in the World Cup semi-final on Wednesday 11 July. We appreciate that this is quite an historic event; I have been told it has been 28 years since England last reached this stage.

Many of the cast are keen footballers and want to watch the match. Whilst we cannot change the date of the performance, (we appreciate you will have had this date in your diaries for some time) we have decided instead to bring forward the start of the performance by 30 minutes, to enable those who want to, to watch the second half of the match.

Therefore Wednesday's performance of Wind in the Willows will start at 5.30pm.

KE Beattie
