

Warm Weather Reminders

Hats

Please come to school with a hat (named please).

Water Bottles

(Not needed for children in Miss Chatt's class as water is freely available in the classroom)

Please bring your filled water bottles to school; children can refill these at any time during the day. There is a drinking fountain in the playground.

Footwear

Sandals may be worn but need to have covered toes and be robust enough for children to play in.

We appreciate children's feet grow and school shoes may be getting a little tight... and you don't want to replace them at this end of term. However, if children have school shoes that fit, we request that these are worn.

Hayfever

If your child suffers from pollen related ailments, please ensure the correct medication is in school and handed in at the school office.

Sun Cream

If needed, please apply this in the morning before your child comes to school.

Thank you for your assistance in this area and hopefully we will all be able to safely enjoy a few weeks of sun.
