Dear Parent, Carer,

In support of Sport Relief, Kingsfleet have organised the following activities. We encourage all our children to take part, but the activities are optional.

Tuesday 20 March - Walk a mile!

On Tuesday 20 March, with the support of Mr West, we are giving children across the school the opportunity to walk a mile in support of Sport Relief...some may even choose to walk more. This is not a sponsored event, we just suggest a donation of one pound which we will pass on to Sport Relief, and of course we appreciate if you do not want to donate via the school.

Session 1	Session 2	Session 3	Session 4
Year 3 and Year 5	Year 4 and Year 6	Year 1 and EYFS	Year 2

Friday 23 March – Come to school in sports kit

Children are welcome to come to school dressed in their choice of sports kit. There is no request for a donation for this event, but of course if you wish to make a donation via the school we will pass it on to Sport Relief.

Team Kingsfleet
