Dear parents and carers

Your children have been sent home with holiday homework to consolidate the work which has been done most recently in the classroom. I would be grateful if you could find some time for them to complete it during their time off.

The fraction work will be marked with them upon return and the spellings will be tested in the first week. Please make sure the packs are in school from the first day.

In addition, please hear your child read as often as possible and encourage them to continue practising their times tables and their statutory spellings which can be found in the middle of their reading journals.

Thank you for your support.

Mrs W Rayner
