8th March 2018

Dear Parent(s),

Science at Adastral Park

To mark British Science Week (9th to 18th March, 2018), we have organised an educational visit to Adastral Park, Martlesham, on Thursday, 15th March.

The event is designed to give Y6 pupils the chance to find out more about the exciting things that go on at BT and gain hands-on experience with activities relating to science, technology, engineering and maths.

The event will take place from 12:15 until 3pm. Therefore, whilst we hope to return within normal school hours, we will need to have a very early lunch prior to leaving for a 12:15 start. If your child is entitled to a free school meal – and you would like the school to prepare a packed lunch for your child on this day – please indicate this on the slip below. Otherwise, please provide your child with a packed lunch which can be eaten in the classroom prior to departure.

Whilst the event is free for pupils, a voluntary contribution of £6.90 towards the cost of coach travel would be appreciated. This may be paid by cash (the correct amount please), cheque or BACs.

If you have any questions about this event, please do not hesitate to ask.

Many thanks,

Miss Varden

Kingsfleet Primary School – Year 6 Science at Adastral Park – 15.03.18
