

Dear Parent / Guardian

**ORAL HEALTH EDUCATION – TOOTH BRUSHING & DISCLOSING**

As part of the Oral Health Education programme, the Oral Health Educator will be using disclosing tablets.

Disclosing tablets are a harmless dye which stains the plaque and makes it visible to the human eye.

Disclosing is an invaluable aid in teaching tooth brushing and the prevention of gum disease. It is also a practical and enjoyable way to learn about oral health.

Please would you sign and return the tear off slip giving permission for your child to take part in this session.

Oral Health Education Team.

**PLEASE COULD YOU SEND YOUR CHILD TO SCHOOL WITH HIS / HER TOOTHBRUSH AND TOOTHPASTE FOR THIS LESSON.**

**Date of lesson: *Tuesday 28 March 2017***

Name of Child..... Class.....

I give permission for my child to use disclosing tablets.
