British Science Week 2017

Dear Parent(s)/Carer(s),

As you may already be aware, this week is British Science Week. In Year 6, we will be marking this on Thursday afternoon with an exciting structural engineering challenge:

13:00-14:00: Investigating properties of materials, data collection (taught session)

14:30-15:30: Construction team challenge (group work)

Whilst I appreciate that this is very short notice, if you would like to join us at 14:30 to assist your child's group for the construction team challenge, you would be very welcome. No engineering experience is necessary... just a willingness to roll up your sleeves and get stuck in!

Many thanks,

Miss Varden
