Dear Parent/Carer

Year 3 Design Technology – Snack on toast

As part of the above topic, your child has produced a list of ingredients to create their chosen snack. On Tuesday 23 May the children will be cooking their own 'Snack on toast'.

The school will provide bread and butter, but we kindly request that you provide the toppings for your child. Please send these into school in a named bag or box on Tuesday morning.

All toppings will be placed on top of the toast and heated under the grill; therefore, toppings such as sausage or bacon need to be pre-cooked at home.

Thank you!

Mr Frost
