## E-SAFETY COURSE

Dear Parent/Grandparent/Carer,

Join us if you would you like to:

- understand the issues that are facing children in connection with the use of technology and put measures in to help keep them (& your computer) safe
- understand the positive impacts of technology on the lives of your children
- feel confident to share your concerns about technology with your children

A tutor from Realise Futures Family Learning is coming into school to run a free 4 week course for parents on Thursdays from 1 to 3.20 pm. The first session will be on Thursday June 21st.

If you would like to attend, please complete the slip below and return it to the school office by Wednesday June 20th, or just turn up on Thursday 21st June.

The tutor is flexible about parents arriving a little late or having to leave sessions early to collect children from playgroups etc; please discuss any problems with her.

If you have any additional support needs that you would like us to be made aware of, please telephone Richard Webber on 01473 275922 or email him on [Richard.Webber@realisefutures.org](mailto:Richard.Webber@realisefutures.org). This information will only be disclosed to the tutor.

I hope you can attend the course and look forward to seeing you there.

Yours sincerely

Mrs K E Beattie  
Headteacher
