

The KSA Needs YOU!

The Kingsfleet School Association is a registered charity, fundraising for the school. Money generated goes to enhance the learning environment and provide additional experiences for the children.

For example:

- *Every year, each class receives £100 for resources. We have also funded extra equipment.
- *New books are purchased for the school library and additional books for each class.
- *A contribution is made to enable theatre visits.
- *All children receive an ice lolly on Sports Day and a Christmas present.
- *Money is used to supply entertainment at the Summer Fun event.

This past year we have organised two successful discos, a Christmas shopping event, a fashion show, Mother's Day gifts, as well as regular cake sales. We have also supplied refreshments at events and helped feed teams at the quiz nights (run so brilliantly by the teachers!).

All parents and carers of pupils are automatically a member of the KSA.

If you would like to volunteer to help, please fill in the form below and leave it at Reception. You will not be committed to helping at every event (you can be as involved as you wish) and we promise we are a friendly bunch!

I am interested in volunteering on the KSA
