11th May 2018

Dear Parent/Carer,

Year 3 Design Technology – How do you like your toast?

Toast is enjoyed by almost everyone and is a food product that children can easily make for themselves – so it provides a highly accessible context for designing and making a food product to be enjoyed.

Children will be creating a snack to meet their own specification.

Your child will make their snack on **Thursday 17th May / Friday 18th May.**

The school will provide the bread and butter but we kindly request that you provide the toppings for your child. You might want to discuss/refine/negotiate your child's topping ideas...! Please send these to school in a named bag or box on the appropriate morning.

All toppings will be placed on top of the toast and heated under the grill; therefore, toppings such as sausage or bacon need to be pre-cooked at home.

Thank you, in anticipation,

Mr Frost
