Dear Parents/Carers,

Thursday 21<sup>st</sup> June 2018 is the second **Suffolk Day**. All classes will be marking the occasion in school.

In Year 1 we are taking the opportunity to learn more about our county: its towns, landscapes, attractions, the birds and animals that live here, and the famous people past and present who have had their home here.

Over half term, and in the days leading up to Suffolk Day, we would love the children to bring in:-

- **photos** of themselves that were taken in the county
- **items** that can be linked to a location - this could be, for example, a ticket, postcard or leaflet.

Chat with your child about places they may have been to and the enjoyable experience they had there. They might like to make some notes to share.

Many thanks in anticipation,

*Mrs Clarke* 😊
