15<sup>th</sup> May 2018

Dear parents/carers

I am writing to inform you that on Monday 21<sup>st</sup> May Year 4 will be having a first aid session. This will cover age appropriate information and develop skills, and will be led by a qualified first aider. The learning is part of our PSHEE curriculum, with a particular focus on 'safety' being covered in different ways throughout the school.

The session is likely to involve demonstration of, and possible practise with, resuscitation dummies. If your child has ever experienced a traumatic incident and you believe that this session could revive memories of this and cause further trauma, I would be grateful if you could inform me as soon as possible, so that we can arrange for appropriate intervention to be applied.

I am sure that we will all enjoy this special afternoon and thank you for your support and interest.

Mrs Rayner
