

Dear Parents and Carers,

Please be mindful of distracting the children at the end of the day. We need them to stay focused right up to the end of the learning day at 3.30pm.

We understand that it is tempting for younger siblings to try and gain their brother or sister's attention through the windows, but be assured we will get the children out on the playground as soon as we can at the end of the day.

I would like to take this opportunity to remind you that children who arrive late at school need to be signed in by an adult. Again we appreciate that things don't always go to plan in the morning and thank you in advance for your compliance and understanding in this matter.

Thank you
