

17th November 2016

Dear Parents,

This term our History topic is 'Christmas in the past' and we will be comparing how we celebrate Christmas today and how we celebrated it in the past.

The children will be busy writing their Christmas lists soon and we would like to compare these with Christmas lists from the past. This is where we need your help!

We would like as many parents and grandparents as possible to send us their Christmas list from when they were 6 years old so we can compare these with the children's lists. Will some of the toys be the same? What has changed? What is different?

If possible, it would be great if you could include some pictures of the toys on your list (Rubik's cubes, The A-team, Star Wars figures etc) Hopefully this will be an enjoyable trip down memory lane and it's always very interesting to see how some toys have stood the test of time!

Please could we have these lists by Wednesday 24th November so these can be used in class.

Many thanks for your support.
