Dear Parents/ Carers,

We are delighted to announce that Mrs Wheeler will be joining the teaching team at Kingsfleet on a full-time basis from January 2107. This of course means that Miss Grix will be leaving Kingsfleet as a Job-share partner at the end of the Autumn Term.

Mrs Wheeler and Miss Grix have been a strong job-share team and the pupil progress and attainment reflect this. They have both contributed to the wider life at Kingsfleet and the children and staff have benefited from their skills and valued input into school life.

We wish Miss Grix every success in her role with Gemstones; supporting the positive behaviour and well-being of children...we may even be fortunate enough to have her do the occasional supply cover.
