

# Everlasting Light

Felixstowe  
November 2018

Dear Parent/Guardian,

We are excited to let you know that the children from Felixstowe schools are invited to perform at the Felixstowe Christmas Light switch-on event, using songs from the 'Everlasting Light' project.

### **Saturday 1<sup>st</sup> December 2018**

Felixstowe Christmas Lights Switch-on day on the Lorry at the Triangle in Felixstowe Town centre. Children will need to arrive at 3:40pm and will be performing from 3:45pm to 4:15pm. They need to come dressed up well for cold weather (with a Christmas hat if possible!). Parents will need to stay for the performance and will be responsible for their children at all times.

The children can revise the songs on-line (in case they don't have an Everlasting Light CD!) here: <http://everlastinglight.org.uk/schools/children> . The user name is EL and the password is EL2016

Please return the slip below – to your child's school - by Friday 23<sup>rd</sup> November.
