Dear Parents/ Carers,

Collection of children at the end of the school day

Please ensure that you inform the school office if anybody other than yourselves as parents are collecting your child from school. This includes childminders and family members and friends.

We appreciate that there maybe last minute changes and this is not a problem...just please let us know.

If possible please inform the office of any changes by 3pm.

Class Menu Choice

Each half term a class will create a meal menu option. The discussion with the class raises awareness of the need for a balanced diet.

The menu is chosen from a list provided by the school cook to ensure that the meal is balanced and contains the required nutritional balance.

Below is a table showing the Class Menu Choice days for the year. Please note that this will result in change to the Menu published by EATs and we will send a reminder home prior to each menu change.
