Dear Parent/Carer

School Meals on Census Day 05/10/17

There is going to be Government School Census on Thursday 5th October, and as some of our school funding is calculated in relation to the amount of school meals taken on that day, we are writing to ask you to support us by choosing for your child/ren to have the school meal on that day.

As we are aware that the traditional Friday meal of fish and chips is more popular than the planned meal we are changing the menu as shown below.

Thank you in anticipation of your support.

Yours faithfully,

Mrs K Beattie

.....

Thursday 5th

Baked Fish Fillet in Batter & Chips
