## Parent/ Carer Briefings - reminder

Welcome to the Autumn Term.

The first day at school has been full of smiles, excitement...and a few nerves. All the children have settled into their new classes superbly and we have been particularly impressed with those children who joined Kingsfleet for the first time today.

It is our aim to help children to be the best they can be and the staff at Kingsfleet work very hard to ensure that they meet the social and academic needs of the children. We understand that new starts can bring a mixture of emotions for both children and their parents/carers, so please remember that all class teachers and myself are happy to answer any questions you may have.

During the week beginning 11<sup>th</sup> September Class Teachers will be holding short information sessions to share with you class routines, expectations and general information. If you are unable to attend the briefing session for child, don't worry as copies of the information shared at the session will be sent to you. However, if you would like to meet the Class Teacher, you are more than welcome to do so, just contact the school to arrange a mutually convenient time.

Information sessions will be held in your child's classroom.
