Dear Parents/Carers,

This year marks 100 years since the end of World War 1 and to mark this significant occasion each class will be making a poppy wreath. The aim is that every child will make a poppy which will then form part of their class wreath.

We will be holding a poppy making afternoon on Monday 5 November and are inviting parents, carers and grandparents to join their child's class and get involved in the poppy making.

Each class may be choosing different materials to make their poppies – so watch out for any resource requests!

If you are able to join us, please complete the slip below.

Many thanks,

Team Kingsfleet

Poppy Making Afternoon (1.30 to 3.15)

I will be attending the poppy making afternoon on Monday 5 November.
