

Felxtowe (happy)

Chorus

Felxtowe, my Felxtowe,
The only home I'll ever know,
Nowhere else can make me feel so good,
That's why I love you so.
Felxtowe, here we go,
I'm glad to be back where I feel I am home.

Verse

In France they tried to make me feel good,
But Paris didn't shine the way that it should!
And Spain was sunny, the people funny,
But only Felxtowe can hold onto me!
They say that home is where your heart is.
And Felxtowe's the place that does that for me.

Those songs in Sweden left my heart bleedin',
But Felxtowe's the place that I want to be!
Jamaica's super, their parties cooler,
But in the end we had to say our goodbyes.
They say that home is where your heart is.
And Felxtowe's the place that does that for me.

Refrain

Felxtowe, my Felxtowe,
The only home I'll ever know,
Nowhere else can make me feel so good,
That's why I love you so.
Felxtowe, here we go,
I'm glad to be back where I feel I am home.

Verse

The USA, oh, what a day!
But Felxtowe's the only place I am free.
And I felt wonder down in down under,
My world was upside down but not any more.
I was unravellin', I'm done with travellin'
It's so much nicer to come home.

Refrain

Felxtowe, my Felxtowe,
The only home I'll ever know,
Nowhere else can make me feel so good,
That's why I love you so.
Felxtowe, here we go,
I'm glad to be back where I feel I am home.

Felxtowe, my Felxtowe,
The only home I'll ever know,
Nowhere else can make me feel so good,
That's why I love you so.
Felxtowe, here we go,
I'm glad to be back where I feel I am home.

We love having you here, such a brave pirate cat.
We would love you to stay, not to leave just like that.
Sweden's the best, we have all you wish,
'Specially for you, who must love our fish.
You must stay, we'll show you it's the only way.

Look at us, and we hear the ship's bell ring.
Look at us, and we will fix everything.
Oh

Mister Pirate Cat, you must stay with us.
We do not want you to go,
And that's what you have to know.
Mister Pirate Cat, see how sad we are!
We'll make you feel right at home
And you will not want to roam.

We could never forgive you
And it would make us feel blue,
If you sail away and leave us behind.
Mister Pirate Cat, you must stay with us.
Do not sail away and leave us behind.

You just have to believe this is the place for you.
We can show you, to stay is the best thing to do.
Sweden's the best, we have all you wish,
'Specially for you, who must love our fish.
You must stay, we'll show you it's the only way.

Look at us, and we hear the ship's bell ring.
Look at us, and we will fix everything.
Oh

Mister Pirate Cat, you must stay with us.
We do not want you to go,
And that's what you have to know.
Mister Pirate Cat, see how sad we are!
We'll make you feel right at home
And you will not want to roam.

We could never forgive you
And it would make us feel blue,
If you sail away and leave us behind.
Mister Pirate Cat, you must stay with us.
Do not sail away and leave us behind.

Mister Pirate Cat, you must stay with us.
Do not sail away and leave us behind.
