

Pupil Premium Expenditure and impact report 2013/14

For the academic year 2013/14, Kingsfleet will receive £32,400 and have analysed the impact of the previous year's allocation, revising the spending to as follows:-

- Increase the intervention programmes to incorporate more children.
- To utilise outside providers for emotional and developmental support to enhance the school progress.
- To employ support for lunchtimes and other breaks making the whole school day a developmental and enjoyable experience.
- To continue with Education City and look at further ICT packages for those who are unable to access at home.
