

## Sports Funding 2016 to 2017 – Evaluation

Objective 1: To improve the quality of exciting PE teaching			
Objective	Evaluation	Action for 2017-18	
To ensure that all children have access to high quality PE lessons.	Staff attended appropriate training matched to need. Including attendance at annual PE conference. Resource audit carried out to ensure resources available to fully support the curriculum.	Access more of the Sainsbury School Games training opportunities. Class teacher to take on the role of PE subject Lead.	
To embed the use of orienteering within the PE curriculum.	Adrian Hall delivered high quality orienteering sessions across the whole school. Teachers received training as part of this; refreshed and developed staff skills and confidence in using orienteering skills.	Book Adrian Hall to provided training for all staff.  Release for a designated teacher to audit orienteering resources.	
Promote orienteering in cross curricular activities	Staff use orienteering, when appropriate, to enhance a range of learning opportunities across the curriculum.	Continue to meet and share good practice.	

Objective 2: To increase participation levels in healthy activity			
Objective	Evaluation	Action for 2017-18	
To offer a range of extracurricular activities that promote a healthy lifestyle.	The school subsidised the letting fee to encourage a greater range of providers to offer clubs at a reduced cost to children and thereby making it more accessible to children (PP funding also used to support fund places). There is an afterschool club every evening – see attached booking record. Promoted training opportunities with Felixstowe High School – linked to primary school competition calendar.	Continue to subsidise the letting fee.  Gymnastics Club starting Sept 17  School Council to review provision – to gain pupil perceptions.	
To increase opportunities during the school day for children to be actively engaged in activities that promote a healthy lifestyle.	Pedometers have been replaced and children from Year 4 are responsible for handing out pedometers and recoding the number of steps by children. The organising children also arranged for certificates to be awarded to the child with the most steps in a week. The play equipment installed two years ago still has a year group rota, demonstrating its continued popularity and use. Two sets of football goals purchased.	Increase the number of pedometers. Consider introducing target distances to gain rewards.  Investigate upgrading the fort area in the main playground and replacing the surface in the EYFS/Yr1 outside area.	

To promote links with local clubs.	As part of the schools involvement in Chance to Shine (cricket) children have joined the local cricket club – one child now plays for the County. After school tennis club is run by a coach from the local tennis club.	Update community webpage with links to clubs in the local area.	
To promote healthy lifestyles.	Kitchen Skills receives great praise from the children. The level of expectations are high, demonstrated by the recipes followed. Evidence folder maintained by HR. Have not yet created a healthy lifestyle page on the website	Audit resources. Develop page on website.	
Lunchtime Leaders	An after-school club was organised to provide training activity Leaders- funded from Sports Grant. Children then supported activities at break times.	To increase participation the club will be held during a lunchtime from September 2017.	

Objective 3: To increase participation levels in competitive sport.			
Objective	Evaluation	Action for 2017-18	
To increase participation in inter school competition (level 1)	Competitive element included in PE sessions. Competitive events between paired year groups (Yr3/Yr4) Compete for places on some teams – e.g. Area Sport (KS 2 event).	Continue.	
To increase participation in intra school competition (level 2).	School has competed in all Pyramid competitions this year; winning the Rounders and Cricket. Held a lunchtime club to coach children linked to next competitive event on the primary school competition calendar. Open to all interested children. Aim to refine and develop children's skills in a competitive situation. Build team spirit and confidence when representing their school in a competitive event.	Additional Lunch Club to continue.  Meeting with Sainsbury Games Leader for the area in September to discuss how we can further develop participation in intra school competition.  Consider applying for the Games Mark.	
To establish a team identity when participating in competitive sports activities.	School kit in place. Team clearly identifiable – children proud to wear.	Replace as required.
